

## *SMS Text Banking Setup*

- Login to CU@HOME. Be sure to have your cell phone with you.
- Click “My Profile” Tab.
- Click the link to Mobile Banking in the left hand navigation.
- Read the Introductory text, and choose “Register your phone for Mobile Banking”.
- Read the user agreement, the privacy policy, and legal policy before choosing “I Agree”.
- Fill out the information about your phone - number and carrier. The system will send a passcode to your phone - you will need to enter this passcode into CU@HOME to continue with Mobile registration.
- Select your primary account - this should be the most frequent account you want to get a balance from. Select all accounts you wish to access through mobile banking.
- Nickname all of your accounts to help identify them. All nicknames must be unique, 1-5 characters, alpha or numeric.
- For future use, add “66639” as a contact to your cell phone.
- Text the following commands to “66639” to receive the corresponding information:
  - BAL = Balance of primary account
  - ACT = Last 5 transactions
  - BAL ALL = Balance of all accounts with mobile access
  - BAL (NICKNAME) = Balance of individual account
  - INFO = Information
  - HELP = Lists commands, and where to call if you require more help
